

Adult Scripture Study,

What: A gathering of adults to discuss scripture, it's meaning then and now.

Our focus this year will be on the Gospel according to St. John. One example, Jesus says, "I am the way, the truth, and the life." [John. 14:6] Well what did he mean by that one sentence? What does that meaning have to do with being a mother, father, worker, citizen, friend in Canton, Ohio in 2009 - 2010? If you wonder, if you have an opinion, if it matters, join us. You are welcome.

When: We meet every Sunday that CCD meets, from 9:15 – 10:45 am.

Where: In the Friendship Room. Coffee always, snacks often. No one takes attendance but you will be missed if you are not there.
